## ABOUT ME

I am a passionate and results-driven individual with a strong background in computer science and engineering. Currently pursuing a Bachelor's degree in Computer Science and Engineering at Koneru Lakshmaiah University. My academic journey has equipped me with a strong foundation in key subjects such as Object-Oriented Programming (OOP), Data Structures and Algorithms, Database Management Systems (DBMS), and Operating Systems.

I am excited about the opportunity to contribute my skills and knowledge to innovative projects and collaborate with like-minded professionals in the field of technology.

## EDUCATION
